Dear Parent(s)/Legal Guardian(s),

Over the course of the summer Camp Maranatha's resident staff will make a number of planned excursions off the campground- some of these excursions will involve driving a considerable distance off the mountain. In the past, these excursions have included wilderness hiking, overnight camping, beach trips, eating out, shopping, movies and sporting events. These excursions, typically paid for at the camp's expense, provide an important opportunity for fun, relaxation and bonding in the midst of the busy summer season. In order for the minor named below to participate in these excursions we require you, as their parent(s)/legal guardian(s), to authorize us, Camp Maranatha's adult staff, to transport them off-site. Under no circumstances (barring extreme exigent circumstances) will we allow the minor named below to be driven anywhere or for any distance by anyone other than Camp Maranatha's adult staff without your expressed permission. We have provided you an opportunity below to list individuals, other than Camp Maranatha's adult staff, with whom you feel comfortable allowing your child to ride with. It is not uncommon for parent(s)/guardian(s) to feel comfortable with a close friend, relative, sibling or other summer staff member transporting their child by vehicle off site, and we are not opposed to that provided they do so with our knowledge and approval.

AUTHORIZATION FOR OFF SITE ACTIVITIES

(I) (We) being the parent(s)/legal guardian(s) of _____, a minor, do hereby grant permission to Camp Maranatha's adult staff (age 21 or older and holding a valid operator's license) to provide transportation and supervision for all planned staff outings and special activities. (I) (We) also give permission for the above named minor to travel to and participate in any and all outings and activities planned and supervised by Camp Maranatha's adult staff.

I have listed below individuals, in addition to Camp Maranatha's adult staff, whom (I) (We) will allow to transport the above name minor off the grounds of Camp Maranatha by vehicle.

This authorization shall remain effective from ____/____/____ until ____/____/____.
